Subject: RE: GVS&DD Questionnaire - Issued for Supplier review and response

Hi Erwin,

Thank you for taking to the time to speak with me this morning.

As discussed, I can confirm that Acciona has absolutely no objection to DDI answering all of the questions listed in Section 1 and 2 (below) along with any technical questions that GVS&DD may have, per the statement in the last paragraph (below).

I would also like to take this opportunity to thank you for your support to Acciona in relation to the NSWWTP, it has been a pleasure working with you and DDI!

Kind regards

W
